### Title Description

A powerful dungeon. A sheep-herder turned Noble. Their path to ascendance through cultivation. Conquering dungeons and using them to grow has long been the most efficient way to become a powerful adventurer. The only thing keeping the process from being easy is the Beasts that inhabit these places. Questions plague those entering this particular place of power: Where do the 'rewards' of weapons, armor, and heavy gold coins come from? Why is a fluffy bunny charging at me? For abyss-sake, why are there so many monsters? Cal has all of t...

### Title Description

Expansion. Uneasy alliances. Looming Madness. Both Cal and Dale have become stronger, each in spite of the other. The dungeon-Cal-knows exactly how much their power has increased and is working daily to become exponentially more powerful. His schemes are becoming more complex and his dungeon-his body-more deadly. Dale works to subvert the plans of the dungeon, but his opponent is onto him. Hearing a voice in his head distracts him in critical moments requiring him to fight his mind even as he battles deadly creatures. Unbeknownst to...

### Title Description

The dead walk the land. The dungeon rises. War will move the Heavens and the Earth. Powerful necromancers are on the move, and the dungeon has become a battleground. Without his faithful Wisp, Cal's mind slips-he begins creating traps and monsters that go against his already loose morals. A direct threat from an unexpected force causes Cal's mind to stabilize, but he doesn't know for how long. Using every resource at his disposal, he works to keep his mind clear while he funds a search for his lost companion. When others fail him again ...

### Title Description

Auras empowering the body to superhuman status. Invocations tearing the land asunder. The war has arrived. The necromantic armies are on the warpath and nowhere is safe-even the sanctuary of the flying dungeon has been threatened. The leadership of nearly all the sentient races has been wiped out, and only the people most suited to repelling the advancing darkness have an intact monarchy. Cal learns quickly that the primary threat is not the far-off war, but the actions of those entrusted with protecting the population. As it turns out,...

### Title Description

Unlikely allies uniting across the world. Blood feuds that span centuries. A single chance at life. The world watches the sky with trepidation. The insanity of Xenocide knew no bounds, and all will soon suffer the effects he had planned for a millennium. Though none know what is to come, they all know it isn't going to be easy to survive. The Master has a plan, one that can give the world at large a way to escape the onrushing desolation. It may be on the bleeding edge of morality and what he needs might prove too difficult to secure, b...

### Title Description

A game that puts all others to shame. Magic that has been banned from the world. A man willing to learn no matter the cost. The decision to start a new life is never an easy one, but for Joe the transition was far from figurative. Becoming a permanent addition to a game world, it doesn't take long to learn that people with his abilities are actively hunted. In fact, if the wrong people gained knowledge of what he was capable of, assassins would appear in droves. In his pursuit of power, Joe fights alongside his team, completes quests, and...

Artifacts that can change the world. Rituals that can make them. Kings that refuse to reconcile. After the encounter at the Mage's College, Joe's name has become well-known in Eternium. While the majority of his guild is ecstatic over the bonuses that he brings them, not everyone is pleased with his rising influence. In fact, someone has been spreading rumors that Joe is unbalanced, sacrificing comrades for personal power. As a result, Joe is forced to recruit a team of misfits and discovers that their unique abilities complement his own....

### Title Description

Vengeful assassins. A treacherous companion. T-Rex Head Hands. After the Wolfman nation is shattered, Jaxon has enough spare time to advance his skills and specialize into a better class. Since Joe and his other teammates are either incapacitated or on a mission Jaxon does not believe in, the misunderstood chiropractor turned gamer strikes out on his own. The issue with creating your own path is that you have no idea what awaits you, especially when low charisma guarantees legendary misunderstandings. For Jaxon, that's half the fun. ...

### Title Description

Humanity on the run. Desperate base building. Dark deeds done during daylight. Joe has started to draw attention to himself and his abilities. While some of the attention is good and allows for personal growth, most of it is from various organizations that feel threatened by the sudden upswing of power that Joe's guild—The Wanderers—are attaining. As the threat to earth begins to reach its peak, all of humanity has a choice: flee to Eternium, or stay for an uncertain future. Some stay, some go, some don't make the choice quickly e...
